DAVID LAWRENCE CENTER NAMES TAMMY CLARK AND NANCY DAUPHINAIS EMPLOYEES OF THE YEAR

Naples, Fl – The David Lawrence Center, Collier County’s only comprehensive, not-for-profit mental health and substance abuse treatment facility serving children, adults and families, is pleased to announce that both Immokalee Practice Manager Tammy Clark and Crossroads Clinical Supervisor Nancy Dauphinais have been named Employees of the Year.

Tammy Clark joined David Lawrence Center in 2003 as a Support Specialist and quickly rose to Office Manager within her first year. She has functioned in several programs throughout the agency and embraces challenges with a “can do” attitude. Clark regularly works with diverse staff and community partners, and her value for relationships creates an environment conducive to easy access to services for clients. In the past as an Administrative Supervisor, and now as Immokalee Practice Manager, Clark governs the daily operations of the medical and clinical teams, coordinates clinical staff and physicians, assists with the intake process and manages client medical records.

“Tammy was named one of our Employees of Year because she continuously demonstrates her commitment to David Lawrence Center, our staff and our clients through her flexibility and willingness to do whatever it takes to get the job done,” says Human Resources Director Rebecca Toole.

Nancy Dauphinais began her career with the David Lawrence Center in 2005 where she screened, assessed and triaged clients in crisis and provided individual and group outpatient therapy throughout her career. She now resides over the Crossroads Substance Abuse Residential and Detox programs as Clinical Supervisor. In this position, she assists in the coordination of the intake process and the implementation of evidence-based strategies to improve outcomes as well as patient satisfaction, while maintaining fiscal responsibility in the Crossroads Continuum. Dauphinais actively provides presentations and trainings in the community including the Crisis Intervention Training program and FGCU’s Renaissance Academy. Due to her outstanding performance, professionalism and commitment to clients,

she was also honored with the 2010 Direct Service Provider of the Year Award and the 2012 Leadership Award.

Dauphinis' supervisor Mary Ann Guerra, Director of Inpatient and Nursing Services, says "Nancy was named Employee of Year because of her integrity, leadership and dedication. Her level of commitment raises the bar and motivates those around her to achieve what is possible."

David Lawrence Center is the Southwest Florida-based, not-for-profit leading provider of behavioral health solutions dedicated to inspiring and creating life-changing wellness for every individual. The Center provides innovative, comprehensive inpatient, outpatient, residential and community based prevention and treatment services for the one in four local children and adults who experience mental health, emotional, psychological and substance abuse challenges. David Lawrence Center has eight locations in Collier County and touches the lives of more than 30,000 people each year. For more information about David Lawrence Center call 239-455-8500 or visit www.DavidLawrenceCenter.org.
